Has your child ever had the Flu vaccine / Flu Mist Y N Any reactions? _____

Is your child allergic to eggs or chicken ? Y N

If yes, what type of reaction did they have? _____

All of our vaccine is preservative free

I have been made aware that my insurance company may not reimburse for the Flu vaccine if they do not recognize it as a medically necessary treatment.

I, therefore, understand that it may be necessary to pay for this vaccine if my insurance company does not reimburse for that vaccine.
